

Bluetooth Speaker Blitzwolf BW-WA3 Pro 100W 5000mAh RGB

Ref: 5907489609272

Bluetooth Speaker Blitzwolf BW-WA3 Pro 100W 5000mAh RGB

Blitzwolf BW-WA3 100W 5000mAh RGB Bluetooth Speaker

Choose the Blitzwolf BW-WA3 and enjoy impressive sound quality. The speaker uses 100 watts of power and quickly connects to your compatible device. What's more, it offers bass-rich sound and a long runtime. The RGB backlighting gives it a gaming touch, and the EQ will let you customize the sound to your liking.

The sound quality you deserve

Immerse yourself in the world of music with the BW-WA3. The speaker operates at 100 watts, delivering high-quality HiFi sound. In addition, it will highlight the best in your favorite songs and delight you with rich details. What's more, you can customize the sound to your liking by selecting one of the three available modes: Standard, Light and Heavy bass. It is also possible to combine two speakers for stereo sound.

Various connectivity options

The speaker is equipped with Bluetooth version 5.0, which translates into a fast and stable connection of up to 10 meters. Moreover, an intelligent DSP chip is responsible for perfectly balanced sound. You will also connect the product to another device via an AUX or USB port. The speaker has these TF card slot.

Durable battery

The product has a 5,000 mAh battery, so it can play music for up to 12 h and allows you to talk for about 20 h. To charge the speaker, use the included USB-C cable. After about 5 h, the device will be ready for further use.

Convenient operation

Operating the speaker is extremely simple and will not cause you any problems. The device has buttons with which you can adjust the volume, stop/resume playback or mute it. That's not all! BW-WA3 also supports voice commands - it is compatible with the Siri voice assistant.

Compact and waterproof

The Blitzwolf speaker is distinguished by its compact design, and its weight is 1561g. Therefore, you can take it with you almost anywhere. You can successfully store it in a backpack or bag and take it on a camping or picnic. In addition, it is splash-proof at IPX5 level, so you can use it freely without worrying about damage.

Refined design

This is not the end of the advantages of the Blitzwolf speaker. The device has a special hole for a lanyard, so transporting it will be convenient and safe. What's more, colorful indicators will inform you about the BW-WA3's status, and dynamic RGB backlighting gives it a unique touch.
