Case ESR Air Armor for iPhone 15 Pro, Magsafe (black)

ESR Air Armor Case for iPhone 15 Pro, MagSafe (Black)

The protective ESR Air Armor Case is designed specifically for the iPhone 15 Pro. Its compatibility with HaloLock and MagSafe technologies allows for quick and convenient wireless charging. The product ensures the safety of your phone during falls and provides military-grade protection. It is also scratch-resistant, and precise cutouts allow for easy and hassle-free access to all device functions.

Reliable Protection

Every effort has been made to ensure complete safety for your smartphone. The ESR case is equipped with shock-absorbing edges and camera protection, providing resistance against drops, impacts, and scratches. Whether your iPhone is accidentally dropped or encounters hard surfaces, you can rest assured that the case effectively cushions shocks and protects the device.

MagSafe Compatibility

Thanks to powerful magnets with a strength of 1500g, the case ensures a stable connection with all accessories compatible with HaloLock and MagSafe technologies. Furthermore, the ESR product enables fast and secure wireless charging.

Aesthetic Advantages

The product is made from durable materials such as PC and TPU, which effectively resist scratches and do not yellow over time. This

ensures that your case will always look like new.
