ESR Privacy Tempered Glass for iPhone 15 (1 Piece, Black Edge)

The ESR Privacy Tempered Glass provides comprehensive protection for your device's screen. It is made using durable materials, including PC, ensuring resistance to damage. Its hardness is rated at 9H, so you don't need to worry about the consequences of accidental drops and impacts. The coating is also fingerprint-resistant, allowing you to enjoy the aesthetic appearance of your smartphone. The product repels dust and offers a high level of transparency, ensuring compatibility with Face-ID facial recognition technology.
