Toothbrush tips FairyWill FW-2001 (blue/yellow)

Ref: 6973734202412

Fairywill FW-2001 toothbrush tips (blue and yellow)

Replacement tips dedicated to FairyWill FW-2001 sonic toothbrush for kids. Made of the highest quality DuPont nylon. They have very soft W-shaped bristles that are safe for children's teeth and gums. What's more, you can thoroughly clean the tongue with the additional tabs on the back of the tip. Be sure to change the tips regularly to give your child the necessary hygiene in use and reduce the risk of germ accumulation. The set includes 4 tips in blue and yellow.
