Tripod Mount Puluz with 26cm LED Ring Vlogging 1,1m PKT3070B

LED ring lamp with tripod

You can mount the LED ring lamp on the bracket. The head of the holder rotates 360° for convenient adjustment. The phone clamp is compatible with phones from 6-8.5cm wide. Thanks to its lightweight and portable design, the tripod is convenient to use and carry, take it for example on a trip or for outdoor photo shoots.

Perfect lighting

The lamp is made with energy-efficient LED beads that perfectly dissipate heat, preventing the housing from overheating. In addition, the lighting fantastically reflects natural colors and enhances skin tones in photographs. With 3 colors to choose from with adjustable brightness, you can quickly and easily adjust the effect of your photos according to your preference without using additional color filters. What's more, the lamp's light is gentle and does not cause eye discomfort even with prolonged use.

Wide application

You will use the light when taking photos outdoors. The lamp will also perfectly light up the room during photo sessions, shooting for advertising projects or recording vlogs related to fashion and makeup. With the USB port you can charge the lamp and connect it to your laptop, PC or charger.

Adjustable tripod

The tripod is made of high quality aluminum, making it durable. You can easily fold the tripod legs, which makes the tripod compact, easy to store and carry. The height adjustment feature makes it easy to shoot at any angle. The clamp is compatible with cell phone, tablet, sports camera and DV camera among others.

Double phone holder

The holder is made of high quality material. It is removable and adjustable for even more comfortable use. In addition, the holder has the ability to be used vertically and horizontally. The standard ¼-inch thread allows you to attach the holder to any device.
