Deerma ZQ610 - One Device — Many Possibilities

Deerma ZQ610 is a multifunctional steam cleaner that will make your life easier. With its help, you can clean your home and create a clean, virus, and bacteria-free environment.

Your Ally in the Battle for a Clean Home

If you deal with daily dirt, streaks, oily stains, or dirt that can't be removed by ordinary methods, the Deerma ZQ610 steam cleaner is the perfect solution to your problems. Equipped with 5 interchangeable steam-releasing brushes, it will help you tackle similar obstacles and make cleaning easy and enjoyable.

Effective Fight Against Bacteria and Viruses

Today, we face threats from various viruses and bacteria from almost every direction. Deerma ZQ610 will help you defeat them! The steam cleaner effectively disinfects various surfaces and eliminates dirt. The high temperature of the steam, reaching 105°C, will kill bacteria and viruses, providing a sterilizing and clean effect. Deerma ZQ610 will be a valuable asset in the fight for your and your family's health - take advantage of this opportunity and enjoy safety!

Practical Extension Nozzle

All 5 interchangeable brushes can be connected to a special multifunctional extension part. By using it, you can easily clean hard-to-reach places, such as high windows, curtains, ventilation grilles, and more.

Functional Steam Mop

Whether it's carpet, tiles, wood, natural stone - using the Deerma ZQ610 steam mop attachment, you can easily clean and disinfect surfaces made of various materials. You don't have to worry about children playing on the floor - by choosing a fully physical cleaning technology that is free of chemical pollutants, you will ensure their safety.

Enjoy a Beautiful and Clean Kitchen

Grease stains, spilled drinks, scattered crumbs - it's everyday life in every kitchen. The ZQ610 steam cleaner will help you deal with these stains. The high temperature of the steam and the optimally designed nozzle will allow you to effectively clean gas stoves or countertops, giving your kitchen a beautiful look. Cooking in a clean kitchen is more enjoyable!

Small Brush for Special Tasks

The brush-shaped attachment will be useful for cleaning small, hard-to-reach places. With its help, you can thoroughly clean gaps between tiles or the sink faucet. If you care about cleanliness in every detail, this is the perfect solution for you.

Spectacular Versatility

Interchangeable attachments and the device's lightweight design will allow you to use it in many different ways in various places. You can easily move the cleaner, lift it to higher places, and use the appropriate brushes to clean whatever you want.

Efficiency-Ensuring Technology

Thanks to the latest technology, the cleaner can release a stream of steam at a temperature of 105°C in just 20 seconds. This high efficiency is ensured by a dual-layered ring heater and an aluminum boiler. All of this makes the Deerma ZQ610 impressively fast and effective.

Safety Guarantee

We care about your safety. The Deerma ZQ610 steam cleaner is equipped with a powerful aluminum boiler and double-layered insulating cables to protect against potential hazards. The equipment is also protected against leaks. In potentially dangerous situations, it will shut down automatically. So you don't have to worry about anything - you can use the cleaner safely.

Convenient Use - Deerma ZQ610 Makes Your Life Easier!

You can easily disassemble the cleaner and replace the brushes - just press a button. You can also extend the handle's length up to three times to perfectly match your needs. To replace the mop attachment, you don't even have to bend over - you can easily operate the device with your foot. Refilling the water tank is just as simple. With a capacity of 230 ml, it's enough for thorough cleaning of various surfaces in your home. Deerma ZQ610 cares not only about the cleanliness of your home but also about your convenience!
