Remax CC109 2x USB car charger, 15W (black)

The Remax RCC109 car charger is a sturdy and powerful device that will ensure fast and safe charging of your devices while traveling. Made of PC and fire-resistant ABS, in a sleek black color, it combines durability and stylish design.

Comfortable to use

The RCC109 is extremely easy to use thanks to its plug and play technology, which allows the charger to operate as soon as it is plugged into the car's cigarette lighter socket. Equipped with two USB outputs, the RCC109 allows you to charge two devices simultaneously with a maximum current of 5V=3A.

More capabilities

The input power of the charger is DC 12V~24V, which means it will work in both cars and trucks. What's more, this car charger offers an additional TF card input, which increases its functionality and customization. The unit's compact dimensions (45 × 54.3 × 71 mm) make it easy to store and transport.

Safety guarantee

Safety of use is a priority for the Producer, so the Remax RCC109 car charger is designed with safety in mind. By choosing this model,

you not only get efficient charging, but also the assurance of safe use.
