

Wall charger Remax, RP-U95, USB, 2A (white)

Wall charger Remax, RP-U95, USB, 2A (white)

Ref: 6954851201489

Remax mains charger, RP-U95, USB, 2A (white)

Looking for a charger that will allow you to charge your devices quickly and safely? The sleek and stylish Remax RP-U95 was created especially for you. Made of durable ABS material, it stands out for its high durability. Thanks to its small size, it is also very practical. It offers a USB port, provides a voltage of up to 2 A, and its power rating reaches 10 W.

Fast energy restoration

With the Remax USB mains charger, you will charge your devices in no time. The voltage of 2 A is a guarantee that your smartphone will be ready for further use in no time. What's more, with the RP-U95 you can enjoy complete safety while renewing energy. The applied safety features ensure the protection of your device.

Compact design

A huge advantage of the RP-U95 is its small size, which allows you to take the product anywhere. Whether you're on vacation, on a business trip, or simply at home, with the Remax charger you're always assured that your devices are charged when you need them.
