Cable USB-C do USB-C Mcdodo CA-2113 100W 1.8m (orange)

Cable USB-C do USB-C Mcdodo CA-2113 100W 1.8m (orange)
Enjoy fast and convenient charging for your devices. The Mcdodo CA-2113 USB-C to USB-C cable provides a power of up to 100W and a current of up to 5A, while also allowing data transfer at speeds of up to 480 Mbps. It is known for its durable construction, resistance to damage, and stylish design, with transparent elements giving it an original character.

Fast Charging, Quick Data Transfer
The cable delivers a power output of up to 100W, enabling you to quickly charge your phone, tablet, Nintendo Switch console, and even a laptop in no time. The built-in E-mark chip ensures charging efficiency and safety by intelligently controlling temperature and adjusting voltage and current to the connected device's requirements. The CA-2113 model also allows for data transfer at speeds of up to 480 Mbps. Now, it takes about 24 seconds to copy 1 GB of files!

Impressive Durability
The copper cable provides faster charging and incredible performance, while the gold-plated connectors are highly resistant to corrosion and wear. The CA-2113 model is also resistant to bending, pulling, abrasion, breaking, and other mechanical damage. You don't have to worry about it failing too soon—it will serve you well for a long time.
