

Fast Charger McDodo CH-1951 PD+QC 20W USB-A & USB-C

Ref: 6921002619516

Fast Charger McDodo CH-1951 PD+QC 20W USB-A & USB-C

Fast Charger McDodo CH-1951 PD+QC 20W USB-A & USB-C

Get yourself a reliable and efficient charger. McDodo CH-1951 is equipped with 2 ports (USB-C and USB-A), allowing you to charge 2 devices simultaneously. It also supports various fast charging standards. It stands out with its high durability and ensures safe usage. Furthermore, the charger is compatible with many popular smartphones, both Android and iOS.

Fast Charging

The charger has a power output of 20W, which translates to exceptional efficiency. The CH-1951 model supports fast charging standards such as PD, Huawei SCP, and QC3.0, so you don't have to wait too long for your devices to be ready for use again. What's more, even when charging 2 devices simultaneously, you can enjoy high efficiency.

Thoughtfully Designed

The charger is equipped with an intelligent chip that protects it from overheating, among other things. This ensures not only fast but also safe charging. The CH-1951 model is made from flame-retardant PC material, which is resistant to high temperatures and highly durable. This means that the charger is exceptionally robust, and you don't have to worry about it getting damaged quickly.
