

Cable USB-C to USB-C Mcdodo CA-3681, 240W, 2m (black)

Ref: 6921002636810

Cable USB-C to USB-C Mcdodo CA-3681, 240W, 2m (black)

Cable USB-C to USB-C Mcdodo CA-3681, 240W, 2m (black)

Get yourself a cable that allows you to charge your selected devices in the blink of an eye. The CA-3681 model by Mcdodo provides a whopping 240W of power and supports the PD3.1 standard. It also enables data transfer speeds of up to 480 Mbps, allowing you to transfer all the necessary files in moments. You no longer have to waste time waiting! The cable is also highly durable and resistant to damage.

Fast Charging

Save time with Mcdodo. The CA-3681 cable supports the PD3.1 standard and provides a powerful 240W output, a voltage of up to 48V, and a current of up to 5A. This allows you to rapidly charge most popular devices, from smartphones and portable gaming consoles to laptops. Furthermore, the built-in E-Marker chip enables not only fast but also safe charging. It intelligently regulates voltage and current intensity, adapting these parameters to the connected devices' requirements.

Enhanced Construction

The cable's stability and charging speed are ensured by a pure copper wire. Additionally, the nylon braiding protects the cable from damage and provides greater flexibility. The CA-3681 model is exceptionally durable, even when subjected to repeated bending. It is also distinguished by elements made of aluminum alloy, which are resistant to oxidation and scratches. This practical cable will serve you well

for a long time!
