

Cable USB-A to USB-C Mcdodo CA-4730, 120W, 1,5m (black)

Ref: 6921002647304

Cable USB-A to USB-C Mcdodo CA-4730, 120W, 1,5m (black)

Mcdodo CA-4730 USB-A to USB-C cable, 120W, 1.5m (black)

The Mcdodo CA-4730 cable guarantees durability even in the most demanding conditions. With support for up to 6A of current and up to 120W of power, it is made for those who want maximum efficiency. It will quickly charge your device, allowing you to save valuable time.

Versatile compatibility with fast charging

Designed for wide compatibility, the Mcdodo cable works with the latest fast charging technologies, including Huawei SCP, Samsung AFC, OPPO VOOC, VIVO and Xiaomi QC2.0/3.0/4.0. No matter what kind of device you have, this cable is ready to meet your needs. The LED indicator will provide information about the charging status and additionally help you find your device in the dark.

Data synchronization

The Mcdodo cable is not just about fast charging. It also provides extremely fast data transfer, making file management on your device more efficient than ever. Connect, sync and you're done - all with an impressive 480 Mbps speed and flawless efficiency.

Robust cable

This model was created with durability in mind. It offers a reinforced core, so the charging process is stable. What's more, the nylon braid prevents tangling, and the reinforced ends are resistant to bending. All this makes the Mcdodo cable an investment for a long time of

use.
