

Cable USB-A to Lightning Mcdodo CA-7511, 1,8m (black)

Ref: 6921002675116

Cable USB-A to Lightning Mcdodo CA-7511, 1,8m (black)

Cable USB-A to Lightning Mcdodo CA-7511, 1,8m (black)

The Mcdodo CA-7511 USB-A to Lightning cable is the perfect solution for gamers and more. Thanks to its 90° angled connectors, it allows for comfortable use of your smartphone or tablet while charging – nothing will stick out or get in the way. It also stands out with its high current reaching 3A, wide compatibility, and resistance to damage.

Fast and Convenient Charging

Now you can freely play your favorite mobile games without worrying that your phone will run out of battery at a crucial moment in the game. With the Mcdodo angled cable, you can conveniently connect it for charging – the angled connectors won't bother you. Furthermore, a current rating of up to 3A allows for surprisingly quick charging of your devices.

Enhanced Construction

The cable also features a carefully designed construction. The copper wire ensures stable transmission and high charging efficiency, while the built-in chip guarantees reliable protection against surges, overcurrent, and overheating. The nylon braided sheath is worth noting as well, making the product resistant to bending, abrasion, breakage, and other damage. The cable also features LED illumination, giving it an original and stylish character.
