

Cable USB-C to USB-C Mcdodo CA-8350, 100W, 1,2m (white)

Ref: 6921002683500

Cable USB-C to USB-C Mcdodo CA-8350, 100W, 1,2m (white)

Mcdodo CA-8350 USB-C to USB-C cable, 100W, 1.2m (white)

The Mcdodo CA-8350 is a USB-C cable designed to meet your needs for both fast charging and efficient data synchronization. With the ability to support 5A charging current and a maximum power of up to 100W, your equipment will be charged instantly and safely, and data transfer will run smoothly and reliably.

Durability and style

Made of durable TPE, the Mcdodo CA-8350 cable combines flexibility with bending resistance for long-lasting use. The connector's gold-plated contacts not only add to the cable's aesthetic appeal, but more importantly guarantee excellent conductivity and corrosion resistance. As a result, the connectors of the Mcdodo CA-8350 cable provide a stable connection and protection against loss of signal quality

USB 2.0 standard for high-speed data transfer

The Mcdodo CA-8350 cable supports the USB 2.0 standard, which means efficient and fast data transfer. You can easily and quickly transfer your photos, videos or documents between devices, making it an ideal tool for both work and entertainment.
