McDodo Magnetic Case for iPhone 15 (transparent)

The McDodo Magnetic case is an advanced case with a unique magnetic design, specially designed for your iPhone. It is the perfect combination of durable PC (polycarbonate) and flexible TPU (thermoplastic polyurethane) to protect your phone from damage in everyday use. The case's magnetic structure guarantees a secure and stable hold on your device, while maintaining easy access to all functions and buttons.

Perfect fit and thoughtful design

The McDodo Magnetic case is a perfect fit for your iPhone, providing effective protection from all sides. It combines lightweight with extreme durability and is designed so that it doesn't impede access to your iPhone's ports, cameras and other features.
