Magnetic case McDodo for iPhone 14 plus (black)

Ensure reliable protection for your iPhone 14 Plus and enjoy its convenient use. The McDodo Magnetic Case will secure your smartphone from damage and, thanks to built-in magnets, is compatible with MagSafe accessories such as chargers and stands. The product is made of high-quality TPU material, which not only looks great but also doesn't show unsightly fingerprints.

MagSafe Compatibility

The case is equipped with the same magnetic module found in iPhone 14 series - it has 38 built-in magnets with strong attraction force. This allows you to seamlessly use various MagSafe accessories such as holders, stands, power banks, and wireless chargers.

Reliable Protection

Be sure that your phone is safe. The McDodo case effectively protects it from damage due to impacts or drops. Furthermore, thanks to the raised edges, it also safeguards the screen and the smartphone's cameras. Moreover, the accessory fits the shape of the iPhone 14 Plus perfectly, providing convenient access to its ports and buttons.
