

## Car Charger Mcdodo CC-2320, USB-C + USB-A, 30W

Car Charger Mcdodo CC-2320, USB-C + USB-A, 30W

Ref: 6921002623209

Mcdodo CC-2320 car charger, USB-C + USB-A, 30W

Introducing the Mcdodo CC-2320, which will provide your devices with fast and efficient charging even on the go. With two outputs - USB-A and USB-C - this car charger offers a maximum output power of up to 30W, allowing you to quickly charge two devices simultaneously.

### Smart charging

Equipped with a smart chip (Smart IC), the Mcdodo CC-2320 charger is compatible with multiple fast charging protocols, including PD3.0, QC3.0 and manufacturer-specific protocols like FCP/SCP (Huawei) and AFC (Samsung), guaranteeing optimized charging times for each connected device. Support for APPLE 2.4 and Samsung 2APD are other advantages that make it a versatile solution for users of various smartphones.

### Compact design and robust construction

The small size and light weight of this car charger make it extremely handy and easy to store. It is created from high-quality aluminum alloy, which not only gives it a sleek look, but also provides excellent heat dissipation, increasing the safety and life of the device.

### PPS for Advanced Charging

With Programmable Power Supply (PPS) technology, the charger adjusts the voltage from 3.3V to 11V at up to 3A, maximizing charging efficiency and protecting your device's battery.

Manufacturer

Mcdodo

Model

CC-2320

Material

Aluminum alloy

Input

DC 12-24V

Output

USB-A: 5V 3A, 9V 2A, 12V 1.5A, 18W max ; USB-C: 5V 3A, 9V 3A, 12V 2.5A, 30W Max.

PPS

3.3V-11V 3A

Total output power

USB-A+USB-C: 5V 3A

Product size

24.2 x 24.4 x 47.5mm

Weight

18g

Price:

Before: € 7.995

**Now: € 7.50**
