

### Mcdodo CC-7492 car charger, USB-C, 30W + USB-C to Lightning

Mcdodo CC-7492 car charger, USB-C, 30W + USB-C to Lightning cable (black)

Ref: 6921002674928

Mcdodo CC-7492, USB-C, 30W car charger + USB-C to Lightning cable (black)

Mcdodo CC-7492 from the "Obsidian Series" is a set that combines elegance and performance. The 30-watt PD (Power Delivery) car charger and heavy-duty USB-C to Lightning cable ensure that your devices reach a full charge quickly and safely.

#### Versatility and compatibility

Designed to support a wide range of input voltages (12-24V), the charger provides a maximum output of 30W. It offers full support for fast charging protocols, including PD, QC, AFC and FCP, and is compatible with Apple product charging requirements (APPLE 2.4).

#### Elegant design and durability

Distinguished by its sleek aluminum alloy housing, the set is not only aesthetically refined, but also guarantees durability for years to come. In addition, the sturdy cable ensures optimal charging of your devices, is resistant to wear and tangling, and thus features exceptional durability.

#### Minimalist design

With compact dimensions of 53 x 23 x 23 mm and a weight of just 18 grams, the Mcdodo CC-7492 charger is the perfect travel companion, easily fitting into a car glove box or console.
