Cable USB-C to Lightning Mcdodo CA-3440 90 Degree 1.2m with LED (black)

Ref: 6921002634403

Mcdodo CA-3440 90-degree USB-C to Lightning cable 1.2m with LED (black)

The angled USB-C to Lightning cable from Mcdodo is a combination of sturdiness and style. Made of durable PVC and flexible TPE, it is resistant to daily wear and bending. It supports fast charging with a current of up to 3A, allowing for a maximum power of up to 36W. With this, your Apple devices such as iPhone, iPad Pro and AirPods Pro will be charged at an express pace.

**Ergonomic angular design**

The 90-degree angled plug of the Mcdodo cable provides full comfort. It fits perfectly in your hand and makes it easy to use your device while charging. Now you can freely play games, browse the Internet or watch movies without being disturbed by the cable.

**LED backlighting: convenience in the dark**

The cable is equipped with a practical LED indicator that makes it easy to find in the dark. You no longer need to look for your charging device - now you can find it effortlessly, even at night.

**Universal compatibility**

The Mcdodo CA-3440 USB-C to Lightning cable will work perfectly with Apple devices, including the iPhone, iPad Pro and AirPods Pro. It's a versatile solution for users who need a reliable cable for charging and data synchronization.
