Ref: 6921002636421

Cable USB-A to Lightning Mcdodo CA-3642, 1,2m (purple)

Cable USB-A to Lightning Mcdodo CA-3642, 1,2m (purple)

Now you can charge your devices even faster. The Mcdodo CA-3642 USB-A to Lightning cable provides a current of up to 3 A and offers wide compatibility. It also allows for data transfer speeds of up to 480 Mbps. It stands out with its stylish design and durable construction. The package includes a practical clasp for easy cable storage and transport.

### Precision in Every Detail

Transparent elements give the cable a modern and stylish character, while the high-density braid not only looks great but also protects the product from damage. The reinforced copper wire ensures reliable transmission, fast charging, and resistance to interference, while the intelligent chip is responsible for automatic current regulation and maintaining the temperature at the appropriate level. All of this translates into exceptional durability for the CA-3642 model, making it resistant to bending, abrasion, and breaking.

### Fast Charging and File Transfer

You no longer have to wait too long for your devices to charge. The cable provides a current of up to 3 A and is compatible with many models of iPads, iPhones, and AirPods. What's more, the CA-3642 model allows for data transfer at speeds of up to 480 Mbps. So you can quickly transfer essential files between devices! With Mcdodo, you'll save valuable time.
