

ARGB Computer Fan Darkflash CF8 Pro (120x120)

ARGB Computer Fan Darkflash CF8 Pro (120x120)

Ref: 5907489609180

Darkflash CF8 ARGB Computer Fan (120x120)

Are you looking for a fan, which is characterized by a high cooling capacity and which will emphasize the visual value of your hardware configuration? Then the CF8 is just right for you! The 120 x 120 mm fan operates at approximately 1100 RPM and features RGB backlighting to match the modern style.

RGB backlighting

The CF8 Pro fan will be the perfect complement to a transparent computer case. It features RGB backlighting, which you get by connecting it with a 3-pin connector (+5V ADD_HEADER). Choose from 47 backlight modes for a truly modern gaming vibe.

Full Convenience

The CF8 is very easy to install, so you can mount it in no time and enjoy the combination of effective cooling and visual appeal. You have it at your fingertips!
