Accessory kit for Dreame L10s Ultra/L10 Ultra cleaning robot

Ensure the optimal performance of your Dreame L10s Ultra/L10 Ultra cleaning robot. The kit includes several accessories designed for it. The two side brushes and the main brush allow you to clean your floors thoroughly while not damaging them, and the multi-layered mopping pads will perfectly deal with stubborn stains. In the package you will also find two waste bags (for the emptying station) and two filters that will effectively stop even the finest dust particles. All components of the kit are made of high-quality materials and are very easy to assemble.
