

Wireless microphone Puluz PU3150B Lavalier Type Wireless mic Ref: 5905316147409

Wireless microphone Puluz PU3150B Lavalier Type Wireless microphone Puluz PU3151B Lavalier Type Lightning

Puluz PU3150B Lavalier Type Lightning Wireless Microphone

Create recordings with good quality. The Puluz omnidirectional microphone effectively captures 360° of sound, and the built-in chip eliminates ambient noise. It boasts a range of up to 20 meters and is compatible with iPhones and iPads. The receiver is equipped with a Lightning port and allows you to record and charge your device at the same time. In addition, a special clip allows you to clip the microphone to your clothing.

High quality sound without interference

The Puluz PU3151B is an omnidirectional microphone that picks up sounds from all directions. In addition, the built-in chip reduces ambient noise and interference, so you can record comfortably even in noisy environments.

Wireless operation

The Lavalier microphone works wirelessly, and thanks to plug & play, you can quickly connect it to a compatible device. The 2.4 GHz band provides a stable signal up to 10 meters outdoors, and up to 20 meters indoors. The 70 mAh lithium battery offers up to 5 h of operation, and the included cable makes charging easy.

Compatible

Mobilemax - Gadgets and Accessories Rua Vasco da Gama n61, 8005-411, Estoi - Faro, Portugal (Continente) Phone: +351962484153 (Call to national mobile network) Email: info@mobilemax.pt

You will successfully use the microphone during interviews, recording vlogs or live broadcasts. Its is iOS compatible, so you can easily connect it to your iPhone 13, iPhone 12, iPhone 11, iPad Pro 11, iPad Pro 12.9 etc. It works with platforms such as TikTok, YouTube, Twitter, Snapchat, Instagram and Facebook.
