

Headphone stand Havit TH650 RGB

Headphone stand Havit TH650 RGB

Unique design

Unlike other headphone stands, this product from Havit has room for 2 pairs of headphones. Thanks to this, the TH650 will not only save you space on your desk, but will also be the decoration. Special hooks on the stand act as a cable organizer. The non-slip finish of the stand provides excellent stability for up to two pairs of headphones.

Not just for headphones

TH650 can also be used as a phone stand. Thanks to the mini holder on the stand's base, you can watch movies without having to hold your phone in your hand.

RGB lighting

Breathing lights enhance the look of the stand. The 7 lighting modes will create an amazing atmosphere in your room. To change the lighting mode or turn it off, just press the button on the other side of the stand.

2 USB ports

An additional USB port allows you to charge, for example, your phone or tablet. The port can also transfer data from your keyboard, U drive and mouse. The port also supports plug&play devices such as a keyboard or mouse.

Universal compatibility

TH650 is compatible with Windows 2000 / XP / 7 / 8/ 10 and other operating systems. It is suitable for all headsets regardless of their size, making it a universal accessory for your desktop.
