Deli Tools EDL018Z cutter

Original, fully professional and functional knife with breakable blade by Deli. Made of high quality plastic. The ergonomic shape provides a firm grip and comfortable use, and a solid plastic button allows you to change the length of the blade.

Durable

The Deli brand knife is distinguished by its strength and durability. The SK4 blades are sharp to ensure precise cutting. It consists of 8 parts, so you can use it for a long time. All you have to do is break off a part of the blade at a designated point when it is no longer sharp. To avoid cuts, use the plastic guard that is placed at the end of the knife.

Different usage scenarios

The cutter will come in handy in various situations. You can successfully use it to cut paper, the knife can cut through 100 sheets of paper at a time. With its help you can also cut pipes, leather material or boards.

Convenience of use

The cutter is made of ABS and TPE materials, making it durable. Its ergonomic design provides a secure grip and stability, so you can be sure that the tool will not slip from your hand. The plastic button allows you to conveniently adjust the length of the blade and lock it. It is

recommended to hide the blade when not using the knife to prevent cuts.
