Havit Gamenote H659d gaming headphones

The Havit Gamenote H696d are gaming headphones that have been designed with comfort and quality in mind. RGB backlighting provides visual appeal, while powerful 50mm drivers ensure stereo clarity. Take your gaming experience to a whole new level!

Discover a new level of immersion

Want to immerse yourself in the world of your favourite game and get one hundred per cent into the world atmosphere? The 50mm drivers make your gaming experience even more immersive. High-quality stereo surround sound will transport you into the world of virtual entertainment even more effectively. Get the edge right from the start - no opponent can surprise you now!

Recognise the importance of communication

In dynamic online gameplay, every split second counts. Alert your team members and communicate for better performance. The H696D features an omni-directional microphone that effectively captures the sound of your voice so you can be sure no one misses your cues. What's more, the microphone tilt can be adjusted up to 120°. Opt for a combination of functionality and comfort!

Designed specifically for gamers

You love spending long hours playing your favorite games? The H696D is designed to be comfortable even during long gaming sessions.

The soft ear cups fit snugly around your ears to reduce the chances of discomfort. What's more, the stylish RGB backlighting makes the whole thing look great. The Havit H696D is quality in every respect!
