Wireless mouse Havit MS78GT -G (green)

Ref: 6939119041236

Havit MS78GT wireless universal mouse

Ensure your comfort while working in front of the computer. The MS78GT works wirelessly, for greater freedom and provides a stable connection of up to 10m. It offers 3-stage resolution adjustment, and thanks to plug&play you can easily connect it to the device of your choice. The ergonomic design is responsible for long-lasting comfort, and the compact design makes it easy to store.

Lightweight, ergonomic design

Enjoy long-lasting comfort with the MS78GT. The mouse from Havit fits perfectly in the hand and provides comfort. It will be great for working in front of a computer. Moreover, it can be used by both right- and left-handed users. In addition, the lightweight and compact design makes it easy to store.

Reliable

The mouse connects to your device wirelessly thanks to 2.4 GHz, so you can enjoy a fast and stable connection of up to 10 meters. All you need to do is connect the mini receiver (included) to the device. In addition, the device offers adjustable resolution in the range: 1200-2400-3200 DPI, allowing you to customize its performance.
