Tribit MaxSound Plus BTS25 Speaker (black)

With the BTS25, your favorite music can accompany you almost anywhere. The Tribit wireless speaker offers richly detailed and bass-toned sound, and connects to your device via Bluetooth version 4.2. It offers long runtime and is IPX7 water resistant, for greater freedom of use.

High quality sound

Discover your favorite songs anew. The Tribit wireless speaker offers great sound quality thanks to dual heat sinks and 2x 12W drivers. To enjoy the depth of bass tones, press the XBass button.

Wireless operation

The speaker connects to your device via Bluetooth 4.2, so you can enjoy a high-end fast and stable connection up to 30 meters. You can successfully connect the BTS25 to your smartphone, laptop or tablet.

Durable battery

MaxSound Plus is equipped with a 2600 mAh battery, which translates into about 2 h of playback. After 4 h of charging, the device will be ready to use again. To do so, use the included microUSB cable.

Built-in microphone

The Tribit speaker also allows you to make convenient phone calls. It is equipped with a microphone, so you can conveniently answer an incoming call and talk to your loved ones. What's more, compatibility with Siri and Google Assistant allows you to control the BTS25 with voice commands.

Lightweight and portable

Another advantage of the Tribit speaker is its lightweight and compact design. Moreover, its portability will be facilitated by the lanyard included with the BTS25. The device is also IPX7 water resistant, for greater freedom of use.
