

USB-C to HDMI cable Choetech CH0019, 1.8m (black)

USB-C to HDMI cable Choetech CH0019, 1.8m (black)

Ref: 6971824972344

USB-C to HDMI cable

Choetech cable offers 4K Ultra HD@60Hz resolution, so you can view photos or videos in high quality on your TV or monitor. It stands out for its wide compatibility - it fits smartphones and laptops of various brands. What's more, plug&play is responsible for instant and simple connection of the cable to the device, without the need to install additional software or driver.

High-quality image

The CH0019 guarantees impressive display quality in 4K Ultra HD resolution, so you can enjoy a crystal-clear and detail-saturated image. Create a home theater in your own living room and watch Netflix movies on the big screen in the highest quality!

Universal compatibility

The product works with most devices equipped with a USB-C port and supports Thunderbolt 3. It is compatible with Samsung smartphones, MacBooks and laptops, among others. You can easily connect the cable to your TV, monitor or projector. So you can watch videos with amazing quality from your Samsung S9 Plus on the big screen - nothing limits you!

Durable design

The cable is distinguished by its carefully thought-out design, so you can be sure that it will serve you for a long time. It is resistant to

corrosion and conducts electricity perfectly, thanks to its 24K gold-plated connector. Anti-slip features on the HDMI plug will make it easy to connect and disconnect the cable.
