Choetech TC0011 car charger 130W 2x USB C 1x USB A (black)   Ref: 6932112102966

Choetech TC0011 car charger 130W 2x USB C 1x USB A (black)

Choetech TC0011 130 Watt 2x USB C 1x USB A (black) car charger

A car charger is an essential accessory when you are often on the road. Don't risk your phone discharging and depriving you of navigation in the middle of a strange city. Choetech TC0011 allows you to quickly charge 2 devices at the same time. It has 2 USB-C ports and a USB port - all of which support fast charging protocols, with a combined power of up to 130 watts! The device's intelligent system recognizes the connected equipment and adjusts the charging power to it. What's more, when the energy level reaches 80%, the charging process slows down and reduces the current consumption, providing protection for the charged devices.

Instant charging

Choetech TC0011 offers 130 watts of power. It has 3 fast charging inputs and allows you to replenish your devices at lightning speed. The USB input supports the QC 3.0 protocol, and the 2 USB-C ports are PD-compatible (130 W max). This means you can safely connect most popular devices without worrying about damaging them.

Security is key

Your devices are fully protected from any electrical hazards. Choetech TC0011 automatically recognizes connected equipment and intelligently distributes charging power. As a result, you don't have to worry about short circuits, short circuits, etc. What's more, when the device replenishes energy to 80%, the charging speed slows down, so the battery won't overheat or overcharge.

Practical LED lighting
No more searching for the charger in the dark! Choetech TC0011 is equipped with a backlight that will provide you with the convenience of use even in the dark. Thanks to it, you will easily find the socket and connect your phone for charging, which is especially important while driving when you need navigation.
