Cable USB-C do USB-C Choetech XCC-1036 240W 2m (black)

Choetech XCC-1036 3.1 240W 2m USB-C to USB-C cable (black)

Keep your devices safe and provide them with fast and secure charging. Choetech XCC-1036 cable offers 2 USB-C connectors and supports PD 240W fast charging protocol, which means it is suitable for both larger and smaller electronics. With its help, you will be able to replenish the energy of laptops, phones, headphones, etc. in no time. What's more, the cable allows data transmission at 480 Mbps and stands out for its robust construction. It has a nylon braid, which protects the cable from damage caused by pulling and tangling. You also don't have to worry about overheating your equipment - Choetech XCC-1036 has the most important certifications, which prove that it meets all safety standards.
