Freewell Sherpa mount with shutter and Selfie Stick function

Ensure maximum comfort when shooting and recording with your smartphone! The Freewell Sherpa mount uses advanced Bluetooth 5.2 connectivity to connect to the device of your choice. It turns into a practical selfie stick in just a few moments! It is compatible with all smartphones, and additional mounts (cold shoe and ¼ thread) will allow you to attach various accessories.

## A range of possibilities

Taking photos on holiday is now even easier. The mount fits perfectly in your hand and provides a secure grip. It will also increase the stability of your smartphone when recording. What's more, you can turn it into a selfie stick in just a few moments - the practical remote control allows you to conveniently take photos from a distance of up to 10 m. There is also a ¼ thread and a cold shoe mount for attaching additional accessories. You can attach a tripod, microphone or light with ease.

## Lightweight and compact

The Freewell Sherpa mount is made from the highest quality materials to ensure durability and resistance to mechanical damage. You can be sure that it will serve you well for a long time! The handle is very light and comfortable to use, so you can easily take it with you wherever you want.
