Tronsmart T7 Lite wireless speaker (black)

Opt for an unforgettable music listening experience and choose the Tronsmart T7 Lite speaker! It provides up to 24 hours of uninterrupted playback of your favorite songs, and what's more, it exhibits IPX7 water resistance, so you can use it in the rain without worry. It's also very compact, so you can take it with you on any trip.

Great sound power

The Tronsmart wireless speaker stands out with its high output power of up to 24 watts for powerful sound. What's more, with its 2 full-range drivers and 3 passive radiators, it delivers powerful and dynamic bass that is sure to please any music fan.

Long runtime

The Tronsmart device is equipped with a large 4,000 mAh battery, which provides up to 24 hours of continuous use of the speaker. What's more, you don't have to worry about the wireless connection, as this equipment uses modern Bluetooth 5.3 technology, which provides a smooth and stable connection at a distance of up to 15 meters.

Comfort of use

The Tronsmart speaker was created with comfort in mind, so it provides 2 audio modes. So you can connect two devices to it and switch

seamlessly between them. What's more, with the stereo pairing function, you can connect two speakers and enhance your listening experience.

LED backlighting

The Tronsmart T7 Lite speaker offers striking rainbow-colored lighting effects, which will give you an amazing atmosphere while listening to music. You can also customize the sound and lighting effects to suit your room using the Tronsmart app, which offers many features, including the option to adjust the EQ.

Waterproof

Tronsmart's equipment has an IPX7 waterproof rating, which means it can be used in the rain and while bathing. This ensures safe use. What's more, you can set it up any way you want to make it fit perfectly in your room.
