

Cob coffeemaker Princess 1.5 L

Cob coffeemaker Princess 1.5 L

Ref: 8713016094261

Princess 1.5 L Cob Coffee Maker

Nurture your love for coffee with a cob coffee maker from Princess. The 1,100-watt unit provides an ideal pressure of 20 bars for intense coffee flavor and aroma. It also offers a hot water function that allows you to prepare tea as well. The capacity of the water tank is as much as 1.5 liters. Practical buttons, a dial and a display ensure convenient operation.

Get full control

Thanks to the built-in thermometer, you can check the temperature at any time, allowing you to constantly control the coffee preparation process. The analog display gives you access to relevant information, and the practical buttons allow you to operate the machine comfortably. Two tubes allow you to make 2 coffees at the same time. Now you can enjoy delicious coffee with your loved ones!

Aromatic coffee

Delight in the aromatic taste of coffee provided by the Princess coffee maker. With a pressure of up to 20 bars, you can get the perfect coffee extract without over-extracting the bitter taste. Do you feel like making espresso? Or maybe a cappuccino? Now you can instantly make a drink that even the most demanding coffee lovers will appreciate. What's more, the hot water function also allows you to brew tea.
