Budi 30W charger with 1m cable (white)

The Budi model 312TE charger is a compact and versatile device that will meet your daily needs. Equipped with 30 watts of output power, the charger has the strength you need to power a variety of devices. Bet on the convenience of use with Budi!

Multiple charging options

The 312TE offers diverse charging ports to suit your needs. It has an 18W Power Delivery (PD) port, providing fast charging for PD-compatible devices. In addition, with a Quick Charge 3.0 (QC 3.0) 18W port, this device is ideal for devices that require high power. For devices that don't require fast charging technology, a standard USB port with 5V2.4A output is available.

More capabilities

The Budi model 312TE charger is not only powerful, but also flexible. Included with the charger, you'll find a 1m USB cable and Lightning and micro adapters, so you'll be able to charge both Apple and Android devices. This kit is a complete option for anyone who needs a reliable and versatile solution for charging their devices on a daily basis.
