Tribit StormBox Micro 2 BTS12 Wireless Speaker (black)

Do you want your favorite music to accompany you during your mountain hikes? Or are you simply looking for a compact speaker that will become your inseparable companion? The StormBox Micro 2 from Tribit will be an excellent choice! It features wireless connectivity - it uses Bluetooth 5.3 technology, which ensures a stable and fast connection. What's more, it can work for as long as 12 hours, which means you don't have to worry about it discharging at the least opportune moment! You can also use it in the rain or on the beach without any problem, as it will stand out for its IP67 water resistance level.

Wireless music enjoyment

From today you can forget about tangled and cumbersome cables! With Tribit you will feel the joy of wireless connectivity. The StormBox Micro 2 speaker uses Bluetooth 5.3 technology, so it guarantees a fast, easy and stable connection. What's more, you can connect up to 2 speakers together at the same time to enjoy even better and louder sound! With Tribit, every trip and party will be unforgettable!

Long operating time

What sets the Tribit speaker apart is its long working time. It is equipped with a 4700 mAh battery, so it guarantees up to 12 hours of playback! You no longer have to worry about sudden discharge, as the LED indicator will let you know the level of charge. What's more, you'll renew its energy in as little as 2.5 hours, using the USB-C cable you'll find in the package.

### Not just a speaker

Your phone's energy level is very low, and you have nowhere to charge it? No worries! StromBox Micro 2 is not just a speaker - it's also a portable powerbank. With its help you will be able, for example, to charge your iPhone 13 as much as 1.4 times, and Samsung Galaxy S20 1.1 times. Even long trips to the mountains won't scare you anymore!

### Comfort of use

The StromBox Micro 2 speaker is not only a highly functional device, it is also a well-thought-out design and unparalleled comfort. Thanks to its compatible size, you can take it on any trip, as it will easily fit into a backpack or handbag. What's more, it also has a built-in microphone, and it exhibits IP67 water resistance - you can take it to the beach or use it in the rain without worry. In addition, for even greater comfort of use, all the necessary buttons have been placed on the front. Enjoy your beloved tunes with Tribit!
