ORICO-9606-C3-BK-BP HDD ENCLOSURE (Black)

Give your old SSD drive a second life and conveniently transfer files, work, or even watch movies. The ORICO 9606-C3-BK-BP external drive enclosure allows data transfer at speeds of up to 5 Gbps and is very compact – you can easily fit it in your bag or backpack. It also stands out with wide compatibility – it works seamlessly with many laptop, tablet, and smartphone models.

Always at Your Fingertips

This practical enclosure can accompany you almost anywhere. Its dimensions are only about 108 x 47 x 13.2 mm – similar to the dimensions of most smartphones. This allows the device to easily fit in a backpack, laptop bag, or even a pocket. Planning a vacation or a business trip? Take your files with you!

Fast Data Transmission

Now you can transfer files between devices even faster. The enclosure provides data transmission speeds of up to 5 Gbps, allowing for lightning-fast copying of photos, videos, documents, or music. This solution is perfect for people who frequently transfer data, such as graphic designers and photographers.

Wide Compatibility

The enclosure is compatible with M.2 SATA SSDs in sizes 2280, 2260, 2242, and 2230. It is also very easy to install – you won't have any problems with it. Furthermore, the product is compatible with leading operating systems such as macOS, Windows, iOS, Android, and Linux. So, you can easily connect it to a laptop, iPad, or smartphone without any obstacles.
