Hard drive protection case ORICO-HXM05-CO-BP (Colored)

Ref: 6941788842991

Hard drive protection case ORICO-HXM05-CO-BP (Colored)

Ensure additional protection for your hard drive. The ORICO HXM05-CO-BP case will provide it with reliable protection while making transportation easier. Moreover, its inner pocket will help you organize the space properly and keep things tidy - you can, for example, store a hardware key, a memory card, or essential cables in it. The product is also very lightweight and convenient, allowing you to have it at your fingertips at all times. Note: the case is compatible with M.2 SSD drive enclosures.

Reliable Protection

Be sure that your hard drive is safe during transportation or storage. The case is made of durable EVA material, making it resistant to scratches and even splashes. Don't worry about damaging the device stored in it! Furthermore, the soft lining provides an additional level of protection against shocks, impacts, and more.
