Hard drive protection case ORICO-PWF2M2-PK-EP (Pink)

Ensure the safety of your hard drive. The ORICO PWF2M2-PK-EP case will provide effective protection against damage during storage or transport. It will also help you organize your space and maintain order - it is equipped with an internal pocket where you can place, for example, a card reader, necessary cables, or a pendrive. The product is compatible with M.2 hard drives.

Caring for the Safety of Your Hard Drive

The case is made of durable materials, EVA and PU, making it waterproof and extremely durable. It is not afraid of scratches or impacts! This means that the hard drive placed inside it will be completely safe in almost any situation. Furthermore, the soft lining will provide additional protection against shocks.
