Memory card case ORICO-PHCD-6-BK-BP (Black)

Ref: 6936761828567

Memory card case ORICO-PHCD-6-BK-BP (Black)

Do you use multiple memory cards? Gain the ability to transport and store them safely! The ORICO PHCD-6-BK-BP case will protect them from water, dust, and damage, and with its available compartments, it will help you keep things organized. The product is made from high-quality materials and is very convenient to use. It's an excellent solution for photographers, graphic designers, filmmakers, vloggers, and more! The PHCD-6 case can hold six SD cards, four TF cards, one CD card, and one card reader.

### Reliable Protection

The case is equipped with a silicone seal, making it waterproof and dustproof. Its housing is made of durable ABS material, ensuring exceptional durability - it's not afraid of scratches or impacts. Inside, high-quality EVA foam is placed, providing additional protection against shocks. With ORICO, you can be sure that your memory cards are safe!

### Convenient Usage

This practical case is very lightweight and compact - you can have it with you at all times. You also have the option to attach it to a bag or backpack using the included carabiner. It also features a specially designed closure that is easy to use and very sturdy. The case is also equipped with multiple compartments where you can place your SD or TF cards.
