Ref: 6973107486319

Bent Exterior Circlip Pliers Deli Tools EDL0344

Practical bent exterior circlip pliers in 7" size. Suitable for both professional use and home do-it-yourselfers. The curved design allows for precise gripping of small parts while eliminating the risk of damaging them. The product is made of durable material, thanks to which it is characterized by long life. The tool fits perfectly in your hand - a comfortable handle covered with a special material increases the comfort of work. No need to worry about hand fatigue even during prolonged use.
