

## UTP Cat6 Network Cable Vention IBEBD RJ45 Ethernet 1000Mbps

Ref: 6922794741034

UTP Category 6 Network Cable Vention IBEBD 0.5m Black

### Vention IBEBD Cat.6 UTP Network Cable 0.5m Black

In an era of growing technological demands, a reliable network connection becomes key to the efficient functioning of many devices. A crucial component of this connection is the right cable. We introduce the Vention IBEBD network cable, which combines functionality with reliability. Perfectly suited to contemporary needs, it provides a stable and fast connection. Here are its main features.

#### Universal Compatibility

The Vention IBEBD network cable is characterized by a wide range of compatibility. It can be used to connect computers, laptops, TVs, routers, switches, or ADSL devices without any problems. Such versatility makes it an indispensable element of equipment in every household, office, or public place.

#### Cat.6 UTP Cable

The IBEBD model is a Cat.6 UTP network cable, which means it provides high throughput and connection stability. You don't have to worry about interruptions in data transmission or signal interference. Whether you're transferring large files, streaming 4K videos, or playing online games, this cable will be your reliable partner.

#### Durability and Reliability

The Vention IBEBD cable is made of PVC, which guarantees its longevity and resistance to everyday wear and tear. This material is flexible yet resistant to mechanical damage, allowing for many years of cable use without concern for its quality. The length of the cable is 0.5 m.
