Vention COLBI USB 2.0 to Micro-B 3A cable (3 A, 3 m, black)

The Vention cable not only provides instant charging at 3 A, but also data transfer at 480 Mbps. It also supports a variety of fast charging protocols. At the same time, it is sturdy, so it will serve you for a long time.

### Speed that amazes

Don't waste time waiting, bet on Vention's proposal and find out what real speed is. With up to 3 amps and support for fast charging protocols such as Huawei FCP and Qualcomm QC, your device will be ready to go in no time. And what if you need to transfer files urgently? No problem! The data transfer speed of 480 Mbps will allow you to transfer files in no time.

### Thoughtful solutions

When designing the Vention cable, every detail was taken care of. Thanks to the use of solid PVC material, the product is durable and flexible. In addition, it intelligently adjusts the charging current to protect the state of the battery. As a result, you can enjoy longer life and performance of your devices.
