

Network Cable UTP CAT6 Vention IBEHI RJ45 Ethernet 1000Mbps

UTP Category 6 Network Cable Vention IBEHI 3m Gray

Ref: 6922794749078

UTP cat.6 network cable Vention IBEHI 3 m (grey)

The cable will find its use at home, work, hotel, etc. It provides a fast and stable Internet connection of 1000 Mbps without interference, so you can freely play games without delays, watch movies or work. In addition, the use of copper and gold-plated connectors affects the efficiency of the product, and the PVC finish provides protection against wear, splashing and stretching.
