

## Cable USB-C 2.0 to Micro USB Vention COVBF 2A 1m black

Ref: 6922794755925

USB-C 2.0 to Micro-B 2A cable 1m Vention COVBF black

Vention COVBF USB-C 2.0 to Micro-B cable (2 A, 1 m, black)

Get ready for a revolution in device charging and file transfer. The Vention USB-C/Micro-B cable allows you to do both at the same time - and at impressive speeds. Its amperage reaches 2 amps and the transmission speed is 480 Mbps. You can also use the product to connect headphones to your phone to enjoy Hi-Fi quality sound. It also allows you to share power between devices. At the same time, it is resistant to damage. Its length is 1 meter.

A range of possibilities

The Vention cable will open up new possibilities for you - data transmission at 480 Mbps and charging at 2 A are just the beginning. The product will allow you to appreciate your favorite songs in a new way. How? When you use it to connect your headphones to your phone, you will hear music in Hi-Fi quality. Does it sound good? And that's still not all! It is also possible to connect 2 smartphones and use the power-sharing function. This way you will charge one device using the other. The cable is also widely compatible, so you don't have to limit yourself!

Resistance to damage

Bet on a cable that will not only make your daily use of equipment easier, but will also serve you for a long time. Vention's product is distinguished by its ability to eliminate interference, which is the result of 28/24 AWG tinned conductor and multiple shielding. It is also

extremely flexible and resistant to damage. You can be sure that it will not let you down in any situation!
