

Network Cable UTP CAT6A Vention IBIBF RJ45 Ethernet 10Gbps 1

Ref: 6922794742949

UTP Category 6A Network Cable Vention IBIBF 1m Black Slim Type

Vention IBIBF Slim 1m UTP cat.6A network cable (black)

Enjoy reliable access to the Internet. The cable provides a fast and stable Internet connection, so you can freely play games, work, or download files. What's more, the use of copper ensures better signal transmission, while the PVC braid guarantees durability. In addition, the thin design with a thickness of 2.8 mm allows you to place the cable behind furniture, under carpet, etc.
