

Flat UTP Category 6 Network Cable Vention IBJBD 0.5m Black

Ref: 6922794745919

Flat UTP Category 6 Network Cable Vention IBJBD 0.5m Black

Flat UTP Cat 6 Network Cable Vention IBJBD 0.5m

Enjoy fast internet in almost any situation. The Vention UTP Cat 6 network cable provides transmission speeds of up to 1000 Mbps, making it perfect for various applications. You can use it successfully while watching movies, working, or playing games, and it is compatible with many popular devices such as laptops, computers, routers, printers, smart boxes, televisions, and more. Furthermore, the cable is very easy to transport.

Well-Designed Construction

The Vention cable stands out with its flat design and a thickness of only 1.6 mm, making installation much easier. You can easily route it under doors or behind your desk - it will fit even in very narrow spaces. It is also characterized by high flexibility and durability - it is protected from damage by a wear-resistant PVC coating. In addition, copper wires and gold-plated connectors made of phosphor bronze ensure fast transmission. It is worth noting the special lock that keeps the cable securely in place after connection, so you don't have to worry about it coming loose or falling out.
