

Flat Network Cable Extension CAT7 Vention ICBBH RJ45 Etherne

Ref: 6922794729759

Flat Network Cable Extension Category 7 Vention ICBBH 2m Black

Flat Category 7 Network Cable Extension Vention ICBBH 2m Black

Modern digital technology requires not only advanced equipment but also suitable tools and accessories that help fully utilize its potential. The Vention ICBBH network cable extension is a product that combines quality workmanship with performance. It meets the needs of users seeking reliability and dependability in everyday use.

High Throughput up to 10 Gbps

With a data transmission capability of 10 Gbps, the Vention ICBBH extension guarantees smooth and fast operation. Such a transmission rate is ideal for those who need a stable connection for transferring large files, streaming in high definition, or other activities requiring high bandwidth. With this extension, you don't have to worry about delays or interruptions.

Versatile RJ45 Interface

The ICBBH model is equipped with a universal RJ45 interface, making it compatible with many devices. Whether you want to connect a computer, laptop, router, or switch, this extension ensures a secure and durable connection. Such a solution ensures that one product can meet many of your needs.

Flat Design for User Convenience

The flat design of the Vention extension not only adds an aesthetic appearance but also facilitates its installation and organization. This shape allows the cable to be discreetly run along the floor, wall, or under the carpet, minimizing the risk of tangling and clutter. With a length of 2 meters, the extension is a practical solution that provides flexibility in configuring your workspace or entertainment area.
