Ref: 6922794729766

Flat Network Cable Extension Category 7 Vention ICBB 3m Black

Vention ICBB Cat.7 Flat Network Cable Extension 3m Black

Contemporary digital technology requires not only advanced equipment but also suitable tools and accessories that help to fully utilize its potential. The Vention ICBB network cable extension is a product that combines quality workmanship with efficiency. It meets the needs of users looking for certainty and reliability in everyday use.

High Throughput up to 10 Gbps

With the ability to transmit data at 10 Gbps, the Vention ICBB extension guarantees smooth and fast operation. This transmission speed is perfect for those who need a stable connection when transferring large files, streaming in high resolution, or engaging in other bandwidth-intensive activities. With this extension, you won't have to worry about delays or interruptions.

Versatile RJ45 Interface

The ICBB model comes with a universal RJ45 interface, making it compatible with numerous devices. Whether you want to connect a computer, laptop, router, or switch, this extension provides a secure and lasting connection. This means you can be confident that one product can meet many of your needs.

Flat Design for Ease of Use

The flat design of the Vention extension not only adds an aesthetic look but also facilitates installation and organization. This shape allows for the discreet routing of the cable along the floor, wall, or under the carpet, minimizing the risk of tangling and clutter. With a length of 3m, the extension is a practical solution that offers flexibility in setting up your workspace or entertainment system.
