Ref: 6922794746015

Flat UTP Category 6 Network Cable Vention IBJBS 25m Black

Vention IBJBS Cat.6 UTP Flat Network Cable 25m Black

As technology becomes a daily companion in our lives, choosing the right equipment is crucial. We introduce the Vention IBJBS network cable, designed to meet the requirements of the most advanced devices. Its main features ensure not only reliability but also versatility in applications.

### High-Efficiency Data Transmission

Thanks to the data transmission capacity of 1000 Mbps, the Vention IBJBS cable offers an exceptionally stable and fast connection. This means that even when transferring large files, streaming high-definition content, or during online gaming, the user can count on continuous and consistent performance. Such a level of performance is essential in today's times when we care about the fluidity and quality of the connection.

### Universal RJ45 Interface

The RJ45 interface, equipped with the IBJBS model, guarantees versatility of applications. Thanks to it, the cable is compatible with a wide range of devices, such as computers, laptops, routers, switches, TVs, smart boxes, and printers. This makes it the right choice, no matter what your needs, tailored to your equipment.

### Sleek Design

The IJBBS network cable is distinguished by its slim design, with a thickness of only 1.6 mm. This solution not only presents aesthetically in any interior but also facilitates cable management and minimizes the risk of cable tangling. With a length of 25 meters, this network cable is ideal for larger spaces, providing flexibility in the arrangement of devices. By choosing the IJBBS model from Vention, you opt for reliability and functionality in one product.
